

**MALVERN HILLS CONSERVATORS**

**POSTERS AND SIGNS**

The Malvern Hills Conservators permit posters and signs on land under their management, subject to the following conditions:-

- That they are advertising local organisations' charitable events only.
- The posters/signs are not erected more than eight days before the event and removed immediately afterwards.
- The posters/signs are no bigger than A2 size.
- Sites to be kept to a minimum and will normally only be permitted on the major approaches to the venue. (A map showing the sites would be appreciated.)
- No more than one poster to be placed in one locality.
- The applicants indemnify the Board against any damage or injury caused to a third party by the notices.

(Note: We would suggest that you contact the Highway Authority to ensure that they have no objection from a highway safety point of view.)

To confirm your agreement to the conditions, please sign and return one copy to the address below prior to the posters/signs being erected. This will ensure that our Wardens are aware that permission has been given. As you will understand there are many instances of notices being placed on Conservators' land without permission and to avoid misunderstandings your co-operation would be appreciated. Please also obtain an authorisation sticker for each poster from the office before displaying them.

I ..... on behalf of .....

accept the conditions set out above, and the posters/signs will be on MHC land at .....

..... on .....
